

Batching Fact Sheet

Ear (w/o ear canals)		Liver					
	Length	120 - 190 mm					
	Width	50 - 110 mm					
	Thickness	20 - 65 mm					
	Weight	100 - 225 g					
	Expected capacity	Portion weight		15,000 g	Expected capacity	Portion weight	27,200 g
Up to 9 portions per minute		Up to 6 portions per minute					
Kidney		Shank (elbow joint)					
	Length	110 - 125 mm					
	Width	50 - 60 mm					
	Thickness	15 - 25 mm					
	Weight	115 - 210 g					
	Expected capacity	Portion weight		6,350 g	Expected capacity	Portion weight	10,000 g
Up to 10 portions per minute		Up to 10 portions per minute					
Tail (w/o back bone)		Front leg					
	Length	70 - 200 mm					
	Thickness	30 - 60 mm					
	Weight	100 - 120 g					
	Expected capacity	Portion weight		25,000 g	Expected capacity	Portion weight	15,000 g
	Up to 10 portions per minute			Up to 10 portions per minute			
Thigh bone		Pigs heart					
	Length	220 - 250 mm					
	Width	60 - 80 mm					
	Thickness	60 - 80 mm					
	Weight	500 - 600 g					
	Expected capacity	Portion weight		10,000 g	Expected capacity	Portion weight	10,000 g
Up to 10 portions per minute		Up to 10 portions per minute					
Tongue (w/o root meat)		Nose and head skin					
	Length	190 - 200 mm					
	Width	45 - 50 mm					
	Thickness	40 - 45 mm					
	Weight	170 - 245 g					
	Expected capacity	Portion weight		10,000 g	Expected capacity	Portion weight	10,000 g
Up to 10 portions per minute		Up to 9 portions per minute					
Rear leg		Trim meat					
	Length	180 - 260 mm					
	Width	50 - 60 mm					
	Thickness	55 - 65 mm					
	Weight	420 - 760 g					
	Expected capacity	Portion weight		12,000 g	Expected capacity	Portion weight	27,200 g
Up to 10 portions per minute		Up to 10 portions per minute
